Message From Dr. Durham

Dear Hagemann Families,

We have a busy week ahead with a variety of activities in the next five days! On Monday and Tuesday, our 5th-grade students are taking the science MAP test. This is the time for them to show what they know and display all of their hard work. The state uses MAP scores to assess school districts across Missouri. Districts and schools are graded based on student scores and assigned points. Last school year, Hagemann ranked #2 in points among Mehlville elementary schools. Mehlville as a district looks at individual teacher scores as well as building scores to look for proficiency, growth, and areas to improve.

Wednesday is an early release. Students dismiss at 12:55 pm for teacher professional development. Classroom teachers will be working on math and alignment among teams. It is also Administrative Professionals Day. Thank you to Mrs. Griffin and Mrs. Amelung for all they do to keep our office and school running so smoothly.

On Thursday is our much anticipated Color Run! This event will take place between 2:00-3:00 pm. Students will run on the lower lot and grassy area. Parents are welcome to run, walk, or watch! Parking will be in the top lot, in nearby subdivisions, and along Hagemann Road. It could be tight so plan accordingly with your time. If you do attend, we encourage you to take your child home with you after the event if possible. Students will have colored powder on them and buses could get messy. I encourage them to bring a towel. Classroom teachers will have sign-out sheets with them if you choose to take your child home after the event. You will not need to check out in the office. Also, since the event is outside, you do not need to check in at the office when you arrive. ALL students will participate in this event, regardless of their donation. Thank you to our extremely generous families for contributing to this fundraiser. Funds will go back to our students and staff in the years ahead.

Sincerely,

Dr. Julie Durham

School News

Summer School Registration

Mehlville School District is offering a free Summer Session for all children entering kindergarten through 12th grade, June 3-28, 2024. There is no Summer Session on June 19. Registration for kindergarten through 12th grade is open.

Students attending Mehlville School District will log into the [Parent Portal](#) to complete the 2024 Summer Session e-Form. Look for the yellow banner that says "New optional e-Forms are available" and click "view." Then select "Summer 2024." Incoming Mehlville kindergarten students will follow the same registration process as private school students.
