Our family is participating in the
TEAL PUMPKIN

PROJECT

Food free treats are available here!

www.joytroupe.com

Why a TEAL Pumpkin during Halloween??

The Teal Pumpkin Project is designed to promote safety, inclusion and respect of people with food allergies.

If you see a Teal Pumpkin while Trick-or-Treating it means that house has non-food items (bubbles, stickers, etc.) for those with food allergies.

Fight Like a Tiger!!
